# What is Texas ACM?

(Our fancy mission statement)

Texas ACM exists to create a community among Computer Science students and anyone interested in technology.

ACM holds events that serve its members and the community, and is focused on the advancement of computer science studies and research, furthering computing as a profession and a science.

---

# So what are we, really?

- **A community to code, play games, and get through school with**
  - Casual office space with TV, consoles, a lab machine, and couches to hangout
  - Freshmen Social
  - Intramural sports
  - Gaming Nights
  - Semesterly camping retreat

---

# So what are we, really?

- A support system to get you through your entry-level classes and beyond
  - CS101 workshops for intro CS and development topics ([more later!](#))
  - Mentorship program
  - ACM Electives Review

---

# So what are we, really?

- A path to meet companies, network, and land a job
  - Corporate sponsor networking events and tech talks
  - Résumé review, Career Fair tips, and mock interviews

---

# Meet the team!

---

## VP <OFFICE>: <NAME>

- <What your office does>
- <What you did this summer>
- <Why you joined ACM/your favorite thing about ACM>
- <Fun fact>

## Co-President: Keele Clendenin

- Organize ACM events and run the org with my co-president Santiago.
- Interned at EOG and Adobe
- Mechanical Keyboard Enthusiast

---

## Co-President: Santiago Moreno

- I focus on internal development guiding the officer team towards goals w/ Keele, help wherever needed!
- This summer I interned at Microsoft on the Outlook Mobile team
- I joined ACM after meeting cool people at IM soccer the fall of freshman year. Started as 1st Web OO.
- I have 8 hairless dogs at home in Houston

---

## VP Social: Mara Manskie

- Plan fun social events for y'all!
- This summer, I worked as Lead Code Sensei at Code Ninjas, teaching children to code
- I love all of the people I've met and connections I've made through ACM
- I have 6 cats at home, one is named Bevo

---

# VP Corporate: Keven Li, Zachary Desai

- Secure funding for ACM through diverse company sponsorships
- Provide our members with direct access to recruiters through events and resume book

- Over the summer...
  - Keven: Interned at Southwest
  - Zach: Interned at Bentley Systems
- Our favorite things about ACM...
  - Keven: Social aspect
  - Zach: Variety of events
- Fun facts about us...
  - Keven: Likes to travel
  - Zach: Love sports (basketball!!)

---

## VP Internal: David Sikabwe

- Organize office, provide supplies for events, administer lockers
- Viral sensation Going Spaceward lol
- Connection with other CS students!
- Stream my music

---

## VP Human Resources: Nathan Jackson

- Maintains and Enforces Code of Conduct and ACM Charter
- Runs Mentorship Program
- Interned at Bentley Systems over the Summer
- Love the vibrant and inclusive community
- Currently compiling ranked list of Tony Award Winning Best Musicals

---

## VP Academics: Nathan “Huck” Huckleberry

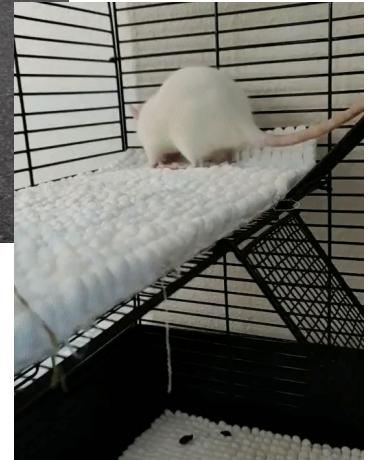

- Move fast and break things
- Wonder why things are broken
- Didn't finish my slide

---

## VP Web/Tech: Alex Bellon

- Maintain the website, run Web Workshops and CS1011
- Interned at EA on their Security team, did lots of traveling and photo-taking
- Hanging out in the office
- I have 2 pet rats named Grace and Hopper!
- I'm also really into computer security, shameless plug for ISSS :)

---

## VP Finance: Lauren Jernigan

- Write and implement the budget, order food and other items for events, spend money
- Interned at Global Shop Solutions, an ERP software company specialized for manufacturing
- The people in ACM are super nice and are always willing to explain CS concepts or give advice
- I'm fluent in Latin

---

## VP Marketing: Aafia Ahmad

- Create marketing materials and communicate info about ACM events
- Interned at Home Depot
- ACM has become my home within UTCS
- An amazing community of friendly, intelligent, and helpful people
- I was in the New York Times

---
